

CHATEAU REYNIER

Bordeaux rosé

HISTORY

Château REYNIER has belonged to the Lurton family for over four generations. Since 1996, Marc LURTON an oenologist by training, has run the estate with his wife Agnès.

This fine vineyard located on the hillsides of the Entre-deux-mers, close to Saint Emilion, encircling the chateau, a fortified manor from the 15th century and a former St Jacques de Compostelle stopover inn.

GRAPE VARIETIES

Cabernet Sauvignon 50 % Merlot 50 %

SOIL

Limestone and clay with asteria limestone subsoil

VINEYARD MANAGEMENT

Integrated crop management enabling healthy grapes without destabilising biological balance of the vineyard.

VINIFICATION AND AGEING

Rigorous selection during the harvest (grape variety and plots are vinified separately).

The vinification is carried out with the most recent techniques enabling an optimum extraction of aromas and richness : skin contact maceration a few hours and Saignée, filtration of heavy sediments, cold fermentation (60°F), kept on fine lees for 2 months, no malolactic fermentation

BOTTLING

Chateau bottled with our own bottling line.
